Philips Walita EasySpeed
Steam iron

Steam 15g/min;100g steam boost

Ceramic soleplate
Anti-calc
1400 Watts

RI1028/42

Fast, from start to finish

3 ways to speed up your ironing

This EasySpeed iron speeds up your ironing thanks to: triple precision tip, even heat distribution across the soleplate and continuous steam.

Comfortable ironing
- A fine spray evenly moistens the fabric
- Drip-stop system keeps your garments spotless while ironing
- Even steam distribution for efficient ironing
- Triple precision tip for optimal control and visibility

Longer lifetime
- Calc clean slider to easily remove scale out of your iron

Easily removes creases
- 100 g steam boost to remove stubborn creases easily
- Vertical steam for crease removal in hanging fabrics
- Ceramic soleplate for better gliding performance

WALITA

Steam iron
Steam 15g/min;100g steam boost Ceramic soleplate, Anti-calc, 1400 Watts

RI1028/42

Highlights

Steam boost up to 100 g

The iron's 100 g steam boost enables you to easily remove even the most stubborn creases.

Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Calc clean slider

This calc clean slider makes it very easy to remove scale out of your iron. To maintain the performance of your Philips steam iron you should use this scale clean function once a month.

Ceramic soleplate

Ceramic soleplate is scratch ressitant, glides well and easy to clean.

Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

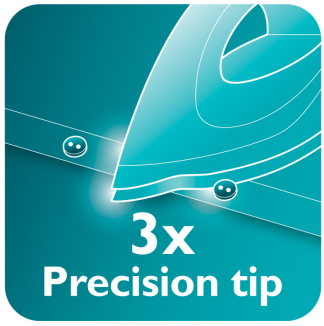
Drip stop system

Drip Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Even steam distribution

Thanks to the carefully crafted soleplate design, the steam is distributed evenly across the soleplate. This way you need less strokes to evenly moisten the garment and therefore less time to complete the ironing.

Triple precision tip



The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.
